Brooke Weston Trust Governance Arrangements

1. Principles

- i. The Brooke Weston Trust (BWT) is a multi-academy trust and is the legal entity responsible for the governance of all academies and free schools within the Trust. BWT is a company limited by guarantee and a charitable trust.
- ii. BWT has one Board of Directors and one Scheme of Delegation. All governance flows from the BWT Board.
- iii. BWT will ensure that it is at all times compliant with all statutory obligations as prescribed by the Department for Education (DfE), Education and Skills Funding Agency (ESFA), and charity and company law as well as other applicable laws and regulations.
- iv. The purpose of the Scheme of Delegation is to outline:
 - The overall accountability of the Board of Directors, supported by its subcommittees
 - The responsibility of senior leaders under the leadership of the CEO
 - The responsibility of Local Governing Bodies (LGBs) to ensure that the Academy is aligned to the Trust's vision and ethos, that they are providing support and challenge to Principals on performance objectives on behalf of the Trust Board and supporting the Academy in becoming the school of choice in the local community.
- v. The BWT Board will provide a framework in which the Trust's Executive Leadership Team, Academy Principals and LGBs can fulfil their role.

2. Trust Vision

The object of the Trust is to advance for the public benefit education in the United Kingdom, by establishing, maintaining, managing and developing schools which provide high quality education to students from all backgrounds by offering a broad curriculum and fostering collaboration across the Trust family of schools, other schools and the wider community.

The BWT mission statement is:

The purpose of BWT is to transform educational performance in the communities where we work through our long-term commitment to improve student achievement by removing the barriers to learning and providing opportunities for personal development.

The Trust operates with the following culture, principles and objectives:

- A deep resolve to foster personal achievement, accomplishment and ambition of all its students.
- Determination to make long term contributions to its local communities and to wider society.
- Each academy has its own identity but is clearly recognisable as a BWT academy, and shares common values, aspirations and approaches

3. Trust Core Values

4. Trust Operating Principles

We are an education service organisation which puts children first so that...

- every student will make the best progress they can
- we provide the best possible breadth of preparation for our students to contribute to society and live fulfilled lives
- provide a safe and welcoming environment where children are respected and valued and fully recognise our moral and statutory responsibility to safeguard and promote the welfare of all students
- we all live our trust in students daily, believe they want to learn and to contribute positively to the school and wider society

We have some non-negotiables which means we are...

- committed to fair and equal treatment of individuals regardless of age, disability, gender reassignment, marital or civil partner status, pregnancy or maternity, race, colour, nationality, ethnic or national origin, religion or belief, sex or sexual orientation
- relentless in assessing our performance and seeking improvement in all areas
- unashamed of taking tough decisions and the difficult paths where necessary
- an employer who values the contributions of its employees, empowers them to contribute and offers a rewarding working environment at the leading edge of professional development
- demanding of our employees to join in the mission for excellence and provide exceptional personal and academic development for students
- committed to treating our students with the same rigorous expectation and the same values for producing high quality work that we have for ourselves

We expect the support of our students...

- to live up to the trust we place in them and to understand they are our clients
- to support each other on their challenging but rewarding journey of personal development and achievement

We expect the support of parents and carers...

- to help ensure that students play their part and meet the expectations we place on them
- to play an active partnership role in the education and development of their children

We seek the support of our community...

- to give us space and opportunity to excel
- to let us know when and how we can contribute to local society

We recognise that financial constraints mean we cannot do all we might like, so...

- we seek best value for money in all things, including providing the best learning environment possible

- we look to our suppliers to help in this
- where compromises are needed we will make them in favour of enhancing or protecting the collective outcomes

5. Trust Governance

All BWT academies are governed by the BWT Board of Directors. BWT has implemented an organisational structure with clear lines of accountability and reporting to enable effective oversight and management of the organisation's operations. This includes the following functions:

- Members
- Board of Directors
- Subcommittees of the Board: Audit & Risk Committee, Finance & Resources Committee, Remunerations Committee and Education Standards Committee. *Subcommittees are established for areas where direct Board involvement is appropriate. Subcommittees report to the Board regularly*
- Best Practice Review Groups: Safeguarding Review Group, Health & Safety Committee and Chairs Forum and Operations Group. *Review groups are established where specialist capability and or intimate knowledge of circumstances is necessary for best effectiveness. Review groups report to the Board regularly.*
- Local Governing Bodies of each BWT academy. *Governing bodies are established to lead school specific governance and provide local community context.*
- Officers of BWT

BWT shall have regard to (but for the avoidance of doubt shall not be bound by) any guidance as to the governance of academies that the Secretary of State may publish to the extent permitted by the governing documents.

Please see Appendix 2 for the BWT organisational structure chart.

5.1 Members

The members are the guardians of the Trust's constitution, determining the principles of the Trust's governance structure and providing oversight and challenge of the Board Directors to ensure the charitable objects of the Trust are being fulfilled. The members are appointed in accordance with the Articles of Association. Members have an overview of the governance arrangements of the Trust and have the power to appoint and remove Board Directors. Members are also members of the Board for close insight and in order to monitor Board effectiveness.

The Garfield Weston Foundation

Founded with the aim of supporting a broad range of activities in the fields of religion, education, the environment, the arts, health (including research) and other areas of general benefit to the community in the UK, the Garfield Weston Foundation makes generous donations to a wide range of organisations each year.

The Foundation may appoint two sponsor directors to the Brooke Weston Trust Board of Directors. These are currently George Weston and Guy Weston.

de Capell Brooke Family

Hugh de Capell Brooke was a founding sponsor of Brooke Weston City Technology College and was a strong supporter of the school over many years. The Brooke Weston Trust now benefits from the strong support of Hugh's son, Alexander de Capell Brooke.

Alexander de Capell Brooke may appoint up to two sponsor directors to the Brooke Weston Trust Board of Directors. These are current Alexander de Capell Brooke and Bob Lane.

Matters reserved for the members are:

- The change the name of the Academy Trust
- To change the Objects of the Academy Trust
- To change the structure of the Trust Board
- To amend the Articles of Association
- To pass a resolution to wind up the Academy Trust
- To appoint the external auditors

5.2 Trust Board

The overall responsibility of the Board of Directors is the general control and management of the administration of Brooke Weston Trust, and in accordance with the provisions set out in the Articles of Association and Master Funding Agreement, is legally responsible and accountable for all statutory functions and the performance of the academies under its responsibility (as per Company and Charities law).

The core functions of the Board of Directors across the Trust are:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff; and
- Overseeing the financial performance of the organisation and making sure its money is well spent.

The Trust Board holds the Trust and each academy to account for its performance through the Chief Executive Officer.

Board Directors are appointed by the members and in accordance with the Articles of Association based on their skillset. This is to ensure that the Board holds sufficient and wide-ranging expertise and experience to fulfil its functions. Directors on the Board have a broad range of skillsets, professions and expertise which are supplemented by regular briefings to Directors to ensure that they remain effective in carrying out their duties.

The Directors may appoint non-Directors to its subcommittees based on skills and experience in order to achieve the best possible challenge and oversight of its area of responsibility.

5.3 Chief Executive Officer (CEO) / Accounting Officer (AO)

The CEO is appointed by the Members in consultation with the Board of Directors to fulfil the following delegated responsibilities:

- Ensuring that the guiding principles, culture and objectives of the Trust are faithfully upheld, revisited and reinforced;
- Holding Principals and senior leaders to account for the educational performance of the individual academies and its pupils, and the performance management of all staff
- Ensuring overall compliance with and adherence to all relevant statutory regulations and best practice, including Health and Safety, safeguarding and child protection etc. and;

- As the Accounting Officer, is to be accountable to the Education and Skills Funding Agency (ESFA) for the overall operation of the Trust and ensuring effective and compliant use of public funds across all Brooke Weston Trust academies.

The Trust Board of Directors and CEO collectively retain ultimate accountability and responsibility for all aspects of the academies within BWT.

5.4 Trust Subcommittees

The Board may delegate some of its functions to a subcommittee. BWT currently operates four committees:

Audit & Risk Committee: The purpose of the committee is to ensure themselves that BWT has sound internal controls (financial, IT and otherwise), risk management and assurance processes that adequately identify and manage risk across all Academies in the Trust.

Finance & Resources Committee: The purpose of the committee is to oversee the Trust's financial performance to ensure that it is financially sustainable and that the Trust's money is being spent effectively and in line with the Trust's strategic aims.

Remunerations Committee: The purpose of the committee is to advise the Board on performance and remuneration issues including the review proposed salary awards and pay scales used by the Trust and to set the remuneration of the CEO and senior leadership team.

Education Standards Committee: The purpose of the committee is to exercise the powers of the Board of Directors in respect of holding the Trust senior executives (i.e. CEO, Executive Principals) to detailed and technical account for all aspects of school performance and standards.

Terms of reference and current membership for these subcommittees can be found on the BWT website.

5.5 Local Governing Bodies

The Trust Board is ultimately accountable for the performance of all Trust academies, though recognises that LGBs provide a level of challenge and local intelligence that the Board cannot. For each academy within the Trust, the Directors will appoint a LGB to support the Board in undertaking the following responsibilities:

- Setting the academy's vision, ethos and strategic direction, aligned to the ethos, vision and strategy of the Trust;
- Holding the Principal to account for the educational performance of the academy and its students; and
- Ensuring the academy and staff have the correct resources and support to fulfil their function.

In extreme circumstances, the Board of Directors reserves the right to remove a local governing body where there are concerns over its effectiveness and replace with an Interim Executive Board. These are established to help accelerate improvement and strengthen the overall leadership and management of the Academy.

5.6 Information Flow

The Trust Board meets regularly and as often as is necessary. The Board is provided with reports prepared by each Chair of its subcommittees at these meets and on an as needs basis. This is on a reporting by exemption basis. Feedback is provided by the Board to the subcommittees on key priorities for the Trust and to request for clarification on any business matters relating to their function area.

All Chairs of LGBs are members of the Trust's Chairs Forum. Members also include the Chair of the Board of Directors and the CEO. This forum acts as the channel of communication between the Board of Directors and its

subcommittees/best practice groups, including the local governing bodies of each academy. This mechanism allows the Board to communicate the Trust strategy, mission, and priorities to the LGB whilst encouraging the LGB, as the local representatives of the Board for the academy, to communicate with the Board any key successes or challenges their academy is facing.

The Chairs Forum also allows sharing of best practice amongst Chairs of Governors across the Trust enabling robust and efficient governance throughout all academies. A copy of the terms of reference can be found on the BWT website.

The Chair of each LGB will provide copies of the draft minutes of their meetings along with, where relevant, a short summary outlining achievements/innovative practice or areas of risk and concern which the LGB wishes to bring to the attention of the Executive Team and Education Standards Committee, which will be reported to the Board.

The Executive Principal for each phase will be appointed as a co-opted governor for each academy as a key link for governors with the Executive Team. As well as providing additional challenge and critical support to the Principal, there will be the opportunity for two-way communication between the LGB and Executive Team where any issues or concerns can be discussed.

The Board is provided with monthly reports from the Executive Team to ensure that it is regularly updated on any educational, financial or governance performance matters. The CEO will meet with the Chairs of LGBs as and when required, with a minimum of one meeting per year.

5.7 Effectiveness

The Board of Directors regularly reviews the effectiveness of its governance structure, with effectiveness reviews conducted on subcommittees and local governing bodies on an annual basis. The outcomes of these are used to inform training requirements, succession planning and recruitment of new governors and/or members.

8. Process for appeal against allocation of GAG funding

- 8.1** Our schools work well together in a climate of transparency, trust and sharing of resources, unspent funds and people. BWT pools the GAG and reserve in order that our funding can be utilised for maximum impact across our Trust of schools. The CEO and Finance Director recommend the allocation of GAG funding in consultation with the Operations Group. The Trust overall budget is recommended by the Finance and Resources Committee and approved by the Board of Directors.
- 8.2** In the first instance, if a Principal or Chair of Governors has any concerns about how their academy's funding has been allocated, it is recommended that they contact either the Finance Director or CEO to discuss these concerns informally.
- 8.3** Should any academy Principal or Chair of Governors wish to formally appeal the allocated funding for their school, the follow appeal process must be followed:
- 8.3.1 Stage 1 – Operations Group**
The Principal/Chair of Governors are to confirm in writing their wish to appeal the allocated funding, detailing the reasons for their appeal and expected outcome of the appeal. This should be provided to the Executive Officer who will convene an appeal meeting within 20

school days of receipt of the appeal letter. The Principal/Chair of Governors will be invited to present their case. All parties will be advised of the outcome of the appeal in writing within 10 school days of the meeting.

8.3.2 **Stage 2 – Finance and Resources Committee**

Should the Principal/Chair of Governors be dissatisfied with the outcome of stage 1, they are able to escalate their appeal to stage 2 of the process. The Principal/Chair of Governors are required to confirm in writing to the Executive Officer their intention to appeal, including reasons for why they are dissatisfied with the outcome of stage 1 and their anticipated outcome of the meeting. The same timescales and arrangements for the meeting and outcome will be as above.

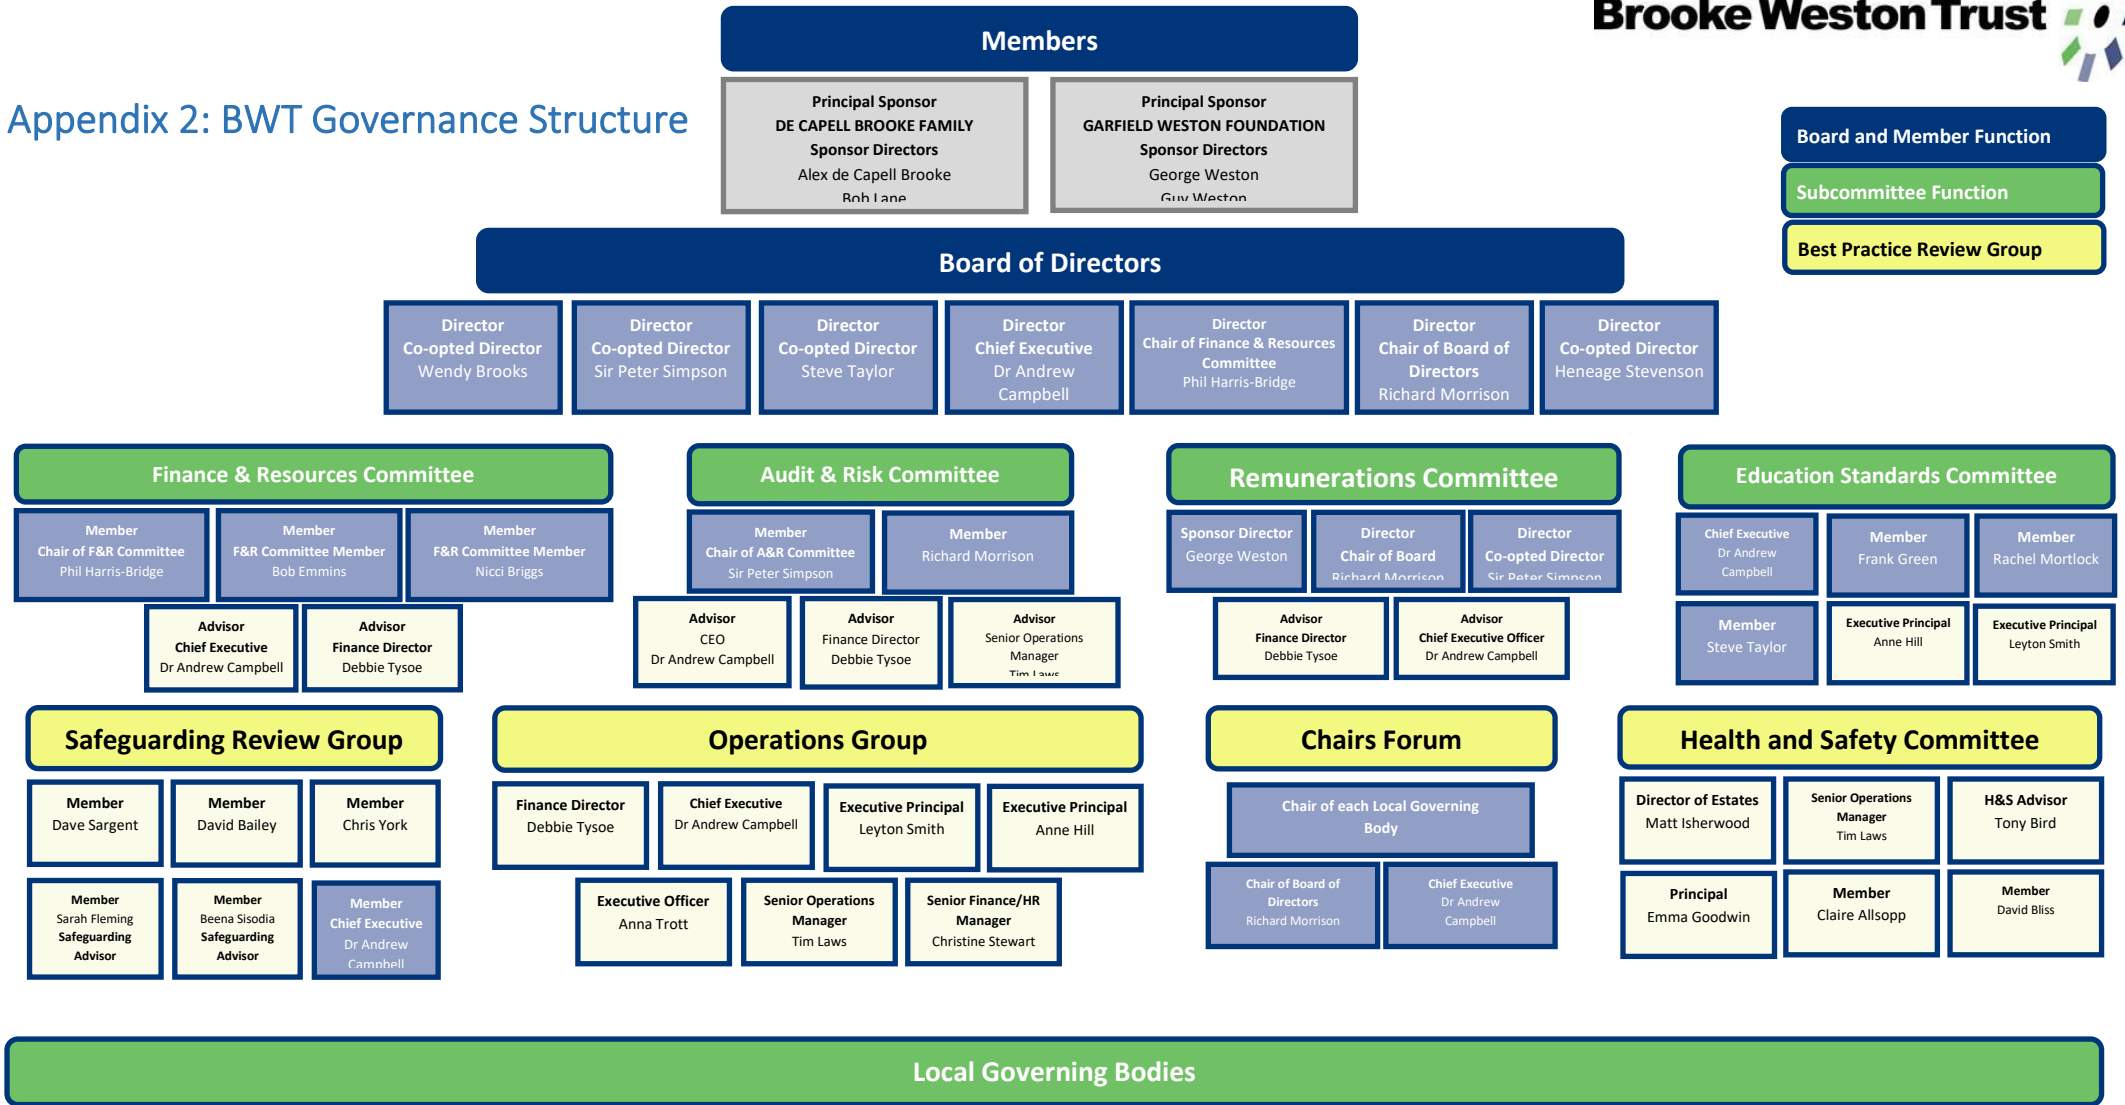

8.3.3 **Stage 3 – Board of Directors**

Should the Principal/Chair of Governors be dissatisfied with the outcome of stage 2, they are able to escalate their appeal to stage 3 of the process which involves an appeal meeting with a representation of the Board of Directors (excluding the Chief Executive if involved at an earlier stage of the appeals process). The Principal/Chair of Governors are required to confirm in writing to the Executive Officer their intention to appeal, including reasons for why they are dissatisfied with the outcome of stage 2 and their anticipated outcome of the meeting. The same timescales and arrangements for the meeting and outcome will be as above. This is the final stage of the appeals process which is heard internally by Brooke Weston Trust.

8.3.4 **Stage 4 – Education and Skills Funding Agency (ESFA)**

Should the Principal/Chair of Governors be dissatisfied by the outcome of the BWT appeals process, they are able to escalate their concerns directly to the ESFA. Details of how to complain are included on the ESFA's website.
